

Key outcomes of the BCIT Board Meeting

Held 25 February 2022

- The meeting discussed the current challenges facing the building and construction industry at the moment including labour and supply shortages. The Operational Plan 2022-23 will go some way to supporting industry through the Mature Age Wage Gap Program, expansion of the Try-A-Trade and Scholarship Program and the Disaster Recovery Construction Training Grant..
- The Board approved a new Sponsorship Policy which will broaden CTF's sponsorship to include industry and community initiatives to increase awareness to young people to seek a career in construction and support employers to access funding.
- The Board continues to develop its governance processes by approving key policies for financial and fund management, and delegations.
- The meeting were provided with a presentation from Communicare's Acting Chief Executive Officer to hear about their White Ribbon accreditation process. The Board are passionate about improving gender based violence within our communities and industry.
